

2024 Math Challengers Invitations to Provincial Finals V5

8 April 2025

Schools

- Schools in the following list are invited to bring one team of up to five contestants to the Provincial Finals.
- The contestants on this team need not be the same contestants that competed in the Math Challengers Regional Contest. The team can consist of up to any five contestants that attend the listed school, and also meet all of the requirements in the Rules for the Contest.
